

Take Another Try (At Love)

Donny Osmond

Let me take you for a ride
Anytime feeling right
Darlin' scoot up next to me
There is so much more to love
And it's time for you to see

You know it's been such a long time a comin'
And if you just give it half a chance

Take another try at love
There's so much for ya
If you don't give up
Take another try at love
Just let me show ya
Take another try at love, try at love

I know you've had troubled times
Life can be so unkind
I don't want to move to fast
But I know what love can be
And how it was meant to last

You know it's been such a long time a-comin'
And if you just give it half a chance

Take another try at love
There's so much for ya if you don't give up
Take another try at love
Just let me show ya
Take another try at love
Take another try at love
So much for ya baby, if you don't give up
Take another try at love
Don't give up, darlin'
Take another try at love

When you feel like giving up
Come on, baby, strut your stuff
You and me are so in love
You know and I know we got to give it one more try
