

Solid Gold

Donots

Golden rule, don't ever rust
Like solid gold we treat our trust
Every don't is still a must
Don't grow old, don't turn to dust
We sing
Ooooooooooooooooooooooh
We can go anywhere
Ooooooooooooooooooooooh
We can go anywhere
Golden rules won't ever rust
Like solid gold we treat our trust
Stand by me, don't ever come undone
Stand by me, cause the proudest lungs
are the loudest ones
So sing
Ooooooooooooooooooooooh
We can go anywhere
Oooooooooooooooooooooh
We can go anywhere
Golden rules, don't ever rust
Golden rules won't ever rust, no
