

We Never Met

Donovan Woods

Let's just say that
The party never happened,
I never noticed your eyes.

So it stands to reason
You didn't leave with me,
If we never met that night.

So I guess I don't know
What it's like to love you,
What it's like to hold you at all.

And I guess that when I
Left in the morning
I couldn't wait two days to call.

So I'll say I never knew you that way
'Cause on the night you left we said,
"Let's pretend we never met, met."
We never met, met."

I ain't lonely
'Cause I don't miss you
'Cause there ain't no one to miss.

I don't pine for you.
I don't dream of you.
I don't long for your kiss.

And who's to say that all that love we made
That all that love remains unmade?
And who's to say that early in the morning girl
I wasn't always sullen I was alright sometimes.

And I'll say I never knew you that way
'Cause on the night you left we said,
"Let's pretend we never met, met."
We never met, met."

And girl, my girl, it'll get hard someday.
Girl, my girl, I know it's better this way.
Oh and girl, my girl, it'll get hard someday.
Oh and girl, my girl, I know it's better this way.

So I'll say, I never knew you that way
'Cause on the night you left we said,
"Let's pretend we never met, met."
We never met, met."
