

# Atlantis

Donovan

C  
The continent of Atlantis was an island  
D  
Which lay before the great flood  
F  
In the area we now call the Atlantic Ocean.  
C G  
So great an area of land, that from her western  
C  
shores, those beautiful sailors journeyed  
D  
to the South and the North America with ease,  
F C  
in their ships with painted sails.  
G C  
To the east Africa was a neighbor across  
D  
a short strait of sea miles.  
F  
The great Egyptian age is but a  
C G  
remnant of the Atlantian culture.  
C  
The antedeluvian Kings colonised the world;  
D  
All the Gods who play a part in the  
F  
mythological dramas in all legends  
C G  
from all lands were from fair Atlantis.  
C  
Knowing her fate, Atlantis sent out ships  
D  
to all corners of the earth.  
D  
On board were the twelve, the poet,  
F  
the physician, the farmer, the scientist,  
C  
the magician, and the other  
G  
so called Gods of our legends.  
C  
Tho' Gods they were! And as the elders  
D  
of our time choose to remain blind,  
D  
let us rejoice and let us  
F C  
sing and dance and ring in the new.  
G  
**Hail Atlantis!**  
C D  
Way down below the ocean  
F C  
where I wanna be

**G**

she may be

Way down...
