

Diggin' the Future Now

Donovan

Just give me some of your love, babe
Just give me some of your love

Can you see the ice-cap melt?
Can you see the ice-cap melt?
Can you see the ice-cap melt?

Diggin' the future now
Diggin' the future now
Diggin' the future now
Diggin' the future now

Can you see the ocean rise?
Can you see the ocean rise?
Can you see the ocean rise?

Diggin' the future now
Diggin' the future now
Diggin' the future now
Diggin' the future now

This is the BBC
The polar ice-cap is indeed melting
And in an unprecedented move
And the Security Council of the United Nations
Has declared global warming
A crime against humanity

Hello, Houston, we're over South America now
Wow! We can see the Amazon forest burning

Can you see the forest burn?
Can you see the forest burn?
Can you see the forest burn?

Diggin' the future now
Diggin' the future now
Diggin' the future now
Diggin' the future now

Do you wanna change it now?
Do you wanna change it now?
Do you wanna change it now?

Just give me some of your love
Just give me some of your love, babe
Just give me some of your love
Just give me some of your love, babe
Just give me some of your love
If you just give me some of your love
Just give me some of your love
Just give me some of your love, babe
Just give me some of your love
If you just give me some of your love
