Donovan

We're all feeling the same pain in our hearts
At the point of revolution we realize
We're all on the same Earth
Whose only border is fear

Emotion
It's an emotion in my heart
That I'm feeling
Feeling

Takes a braver man than goes to war
At the point of revolution we realize
The journey that matters
Is the one that looks inside

Emotion
It's an emotion in my heart
That I'm feeling
Feeling

Emotion
It's an emotion in my heart
That I'm feeling
Feeling
