

## Ja Healer

Donovan

Who can cure the common pain?  
Ja Healer can  
Who can cure the mind insane?  
Ja Healer can  
Who sent the plant to conquer fear?  
Ja Healer can  
Who send the power-flower here?  
Ja Healer can

See that one who bang the gun  
See them two who can't be true  
See them three who just can't see  
How to get along  
See them four who just want more  
See them five who talkin' jive  
See them six who play them tricks  
They can't hear the song

Who can cure the common pain?  
Ja Healer can  
Who can cure the mind insane?  
Ja Healer can  
Who sent the plant to conquer fear?  
Ja Healer can  
Who send the power-flower here?  
Ja Healer can

Who can cure the common pain?  
Ja Healer can  
Who can cure the mind insane?  
Ja Healer can  
Who sent the plant to conquer fear?  
Ja Healer can  
Who send the power-flower here?  
Ja Healer can

See that one who kill the earth  
See that one who got no worth  
See that one with heart of stone  
He can't hear the song  
See that one with careless greed  
See that one who burn the seed  
See that one who always moan  
They can't hear the song

Who can cure the common pain?  
Ja Healer can  
Who can cure the mind insane?  
Ja Healer can  
Who sent the plant to conquer fear?  
Ja Healer can  
Who send the power-flower here?  
Ja Healer can, Ja Healer can, Ja Healer can

Who can cure the common pain?  
Ja Healer can  
Who can cure the mind insane?

Ja Healer can  
Who sent the plant to conquer fear?  
Ja Healer can  
Who send the power-flower here?  
Ja Healer can, Ja Healer can, Ja Healer can...
