

Ride-a-Mile

Donovan

Down the hill from where I live
There's a road rolling by
Wonder where it's going?

In this house full of doom
Discontent in every room
And it's daily growing.

I'm gonna ride on down those miles
I'm gonna ride on down those miles.

Hook my thumb out in the air
Catch a friend with wheels to share
To take me far away from here.

It's a trip I gotta take
Big decision, mine to make
I don't feel any fear.

I'm gonna ride on down those miles
I'm gonna ride on down those miles.

I'm gonna ride on down those miles
I'm gonna ride on down those miles
I'm gonna ride on down those miles
I'm gonna ride on down those miles.

Cats are leavin' every day
Summer's here, they're on their way
Hitchin' down the highway.

There's a party goin' on
It's gonna last the summer long
Sleepin' under the Milky Way.

I'm gonna ride on down those miles (I'm gonna ride on down those miles)
I'm gonna ride on down those miles (I'm gonna ride on down those miles)
I'm gonna ride on down those miles (I'm gonna ride on down those miles)
I'm gonna ride on down those miles.

Hitchhike, hitchhike, hitchhike
Hitchhike, hitchhike, hitchhike
Hitchhike, hitchhike, hitchhike ...
