

Sun Magic

Donovan

The sun is a very magic fellow
He shines down on me each day
The sun is a very magic fellow
He shines down on me each day
He shines down on me each day

The wind is a very fickle fellow
He blows all my dreams away
The wind is a very fickle fellow
Blowing all my dreams away
Blowing all my dreams away

The rain is a very sad lady
She falls down on me sometimes
The rain is a very sad lady
She falls down on me sometimes
Falls down on me sometimes

The sea is a very, very old man
Deeper than the deepest blue
The sea is a very, very old man
Deeper than the deepest blue
Deeper than the deepest blue

The moon is a typical a-lady
I watch her wax and wane
The moon is a typical a-lady
I watch her wax and wane
I watch her wax and wane

A star is so very far away, love
Just between you and me
A star is so very far away, love
Just between you and me
Just between you and me

A song is a pillow for my sadness
We sing all our cares away
A song is a pillow for my sadness
We sing all our cares away
We sing all our cares away

The sun is a very magic fellow
He shines down on me each day
The sun is a very magic fellow
He shines down on me each day
Shines down on me each day

The sun is a very magic fellow
He shines down on me each day
The sun is a very magic fellow
Shines down on me each day
Shines down on me each day

Shine...
