The Blame Game

Donovan

Always finding fault in others all over the town
Never ever seeing what is going down
Thinking their entitled to what they didn't earn
Owning up is a lesson they don't wanna learn

They're playing the blame game
Always the same game
Ain't it a shame shame
Playing the blame game

They don't like me they all hate me that's the way they feel
Gimme something is the one thing they all think is real
You made me so unhappy you must suffer now
Everyone they know can see it but they don't know how

They're playing the blame game
Always the same game
Ain't it a shame shame
Playing the blame game

Up above the moon she bright in the darkest night
Down below their eyes are blind they cant see the light

They're playing the blame game
Always the same game
Ain't it a shame shame
Playing the blame game

When a bad thing happens to them they figure why
Its another woman did it or another guy
Never me its always them they did this to me
We all wonder if the truth they will ever see

Playing the blame game
Always the same game
Ain't it a shame shame
Playing the blame game
