

## Three King Fishers

Donovan

Twelve king fisher birds shall you have  
Dive and swim in the ripples of your laugh.  
Oh, I dreamed you were a jewel  
Sitting on golden crown oh my head  
my head, my head.

Look at the tiny oceans in my hand  
Waves of liquid colours touch the sand.  
Oh, I dreamed you were a jewel  
Sitting on golden crown on my head  
my head, my head.
