

## Want Not Need

Doom

Wrapped, Packaged  
Pleasing to the eye  
Advertised, Brainwashed  
You're ready to buy

Want not need  
Consumer greed

Don't know where it came from  
And don't really care  
As long as there's more  
As long as it's there  
Everyone has one  
Why haven't I?  
Saw it on TV  
Just gotta buy!

Want not need  
Consumer greed
