

Ghost and the Darkness

Dope D.O.D.

Skits: Eyo, who's wicked? I leave ya crew bitter / Mood killer,
throw ya groupies in a woodchipper / i choose quick and pick a
new victim... / I'll remove his or her liver on a huge pillar w
ith a few vingers... / pale spirit, no prints like gloves / i can
pass through walls, cause im the son of an incubus / my stare
makes you kiss the dust... / makes a young man turn old, weak, s
ick and wrinkled up / i haunt places they disturbed way back /
you can only see me on ya survei cam / 3 AM sheet crawler... / tu
rn ya girlfriend into a homicidal sleep walker / i asked grady.
.whats wrong with the hotel im staying? / he told me: I've alwa
ys been the caretaker / its an addiction way beyond cold turkey
... / I cant hold the fury! Thats when i show....

Jay: No mercy, and im so thirsty / let me quench my thirst on m
y enemy's knee... / any entity i see, gets totaled internally /
ya bones and guts that shits holy to me! / im like...Simon Roofle
ss...bare handed! / leave lions toothless...we living on a bad plan
et / ya quite clueless, ya just like judas / ya might just run,
while i face night, fights with the white cougar / i dont carr
y luger, just me and mitts / in the darkness im raising the obe
lisk / and my spiritus and my life to the animals im givin it...
/ nobody's innocent / so i follow the trail of intestines / the
ghost and the darkness return in a second / Im howling, crying
, drinkin the blood of the lion / it made me the beast of the t
yrants!

Chorus:
