Yo that's some dope fucking stinky motherfucking sh...

I am me, I am free

[Verse 1:Jay Reaper] Try fucking with my clique That shit ridiculous But me fucking with your bitch That's some deliciousness (mwah) We're some damned for whatever, new era Now bitch, squeeze them tits together That's how I like it But I'mma bring a struck by lightning Now I am insane on the mikey All this crazy stuff that I'm writing I need one mike, Tyson Beast mode, and I like it Cheat code, well alright then Free flow when I breathe smoke All night and that's ridiculous

[Verse 2 : Dopey Rotten] Cock back, pull the trigger and bust I punch straight through your tour bus Our tees on worldwide corners We make venues look like saunas Run upon us, I don't think so You have numbered in tenfold Breakin' it down in biss Nintendo Ridiculous facts, don't touch the mic though Ill white boy, bitch we go psycho Long range got em down with a rifle (rifle) Right hand on the Bible No survivor, kill all rivals (Fuck with the idols) Open your eyeballs Drugs, sex, violence, still in the cycle (Still homicidal) My actions are final, run with the crew But there's no one behind you

[Bridge]

Fucking with my squad, you must be crazy or something Try to go against the gods, got a couple screws loose Not knowing who we are, you must be crazy my cousin It's the Dope D.O.D. on front back up in the booth And that's ridiculous

[Chorus]
Ridiculous (x12)
Get your punk-ass the fuck outta here, cuz

[Verse 3 : Skitz Vicious]
You wanna ridicule us? You know that's ridiculous
I'm in the mix, burning rubber 'round the Desert Cruiser
Hit em with the Cadillac, Buckethead, Johnny Depp, Rugged Rap
Wavin' with my squat around the flock of bats

And in my sock in Pakistan, a little chronic bag
Pumpin' George Baker on the rusty old record player
But I'm updated too, I fuck with social media
Posting dick pics, while I suffer from chlamydia
And we get rid of you like stain remover
Stick you with a bayonette
And Reggie Noble feels to shoot ya
Of course I brought my cooper
And the rotten, he's with me
Jersey ghost town, shit's ridiculous, you get me?

[Bridge]

We shove 'em as we drop 'em straight into the abyss That shit's ridiculous, that shit's ridiculous Rappers are so glossy, man, I see it on their lips That shit's ridiculous, that shit's ridiculous

[Interlude]

Pass the motherfucking blunt nigga Dope D.O.D. and Redman bitch, die bitch

[Verse 4: Redman] Yo, Reggie Noble I'm loaded So play Jackson and beat it Feral through universes I was born an anemic I turned this to a remix Bitches all in the club, ask us why we get high She turned down for what, now she twerking the butt My foot mashing the gas, got to carry the M Got them after the math My flow hard to grab, like niggas cathing a cab Kids wanna be rich, nah, they trappin' in class Hope you gettin' the picture Yeah, I'm all in the credit Reggie and Dope D.O.D., we all need a medic Chicks blowing my phone up, using all of my minutes I pop the trunk, nigga, and put all of 'em in it I'm a bad boy, you hear things 'bout to get ugly I keep the pipes fired up, so it never get rusty Either hate me or love me, Redman gonna kill 'em Blood beaten down the walls, I'm the Amity Villain

[Chorus]

Ridiculous (x12)

Get your punk-ass the fuck outta here, cuz Ridiculous
