

# Slumber Brothers

Dope D.O.D.

I'm the dust sprinkler, mr. Wink atcha  
Superstar, mr. Who wants a signature  
Im f\*ckin rich, got a bitch and a big ass car  
House on the hill, living large  
But I got a feeling that something ain't right though  
When i see the night fall  
I turn to a psycho, cyclone  
I'm nipple twisting the whole scene  
While I scream: "I have a dream!"

That might scare folks like a nightmare  
You never quite had thoughts that I share  
This is your brain on drugs, the fried egg  
They always say don't touch the knives edge  
Yet curiosity killed the cat kids  
Even though we can always hear the snake in the grass hiss  
We take our chances and get bitten  
And wind up a dead kitten

Victim, I put em to sleep like Charles Dickens  
Man with the mask, Madvillain  
Mad appealing, mad at rap and rappers there's more than a billion  
I put em in a box, put the box in a building

Cause I'm more than willing to do the devils deeds  
When I catch a case I call Keanu Reaves  
Don't disturb me when I'm passed asleep  
It might be the moment that I have a dream

About a trip where I'm seeing shit like odissee  
I'm floating on a cloud with Jen Connelly  
(probably) got all the luck I got a million bucks  
I hope I won't wake up broke as f\*ck  
Cause I'm just getting started mind f\*ckin you retarded  
Break into your appartment, start pissing on your carpet  
This black man is not the issue, the issue is you spitting out ya bloody tis  
sue

It's crystal clear the way the rap flows  
Elevated levels, staring at the cloud light like eskmo  
I'm sure as hell won't be the asshole bitchin  
As the world keeps spinning

You may think you can f\*ck with us, think that you're winning  
But the feeling won't last like zed in pulp fiction  
I wish i could show yall, it's not what it seems  
You only exist, cause I have a dream

It comes from the subconsciousence  
Constant conflict, no non-sense  
Better beware cause monsters excist  
They're quick to pull you in the water, under the bridge  
That shit stinks like vomit and piss  
Rub the lamp and we'll grant you one wish  
One hit wonder crushers  
You can call us the slumber brothers
