

The Butterfly Effect

Dope D.O.D.

The butterfly effect we keep em all in check

Rub a dub dub , 2 girls one cup smothered in cum, 2 balls one cock gobble it up sluts,yes don't waste none bukake, there's more where that came from aint no justice, just sluts asses 2 asses, butts 2 butts your body's the canvas,my dick's the brush i paint a picture of no love but lust she's looking at me like, he must be nuts i'm lookin at her like... You must eat nuts the butterflies in her stomach make her vomit...nah...she just needs drugs i got the butterfly effect on her the reason she calls up a friend of her's bad bitches know,so the spread the word there's a new sherrif in town, lets flirt from flirting comes kisses,from kisses comes fingers from fingers comes something real big that i insert pow! That hits the spot bitches just keep coming back, that's cause i got...
