

## Broke Down Casino

Dope Lemon

I can't forget you  
So glad I met you  
Now someone new is in my place  
Always thought I was irreplaceable

It's not my business  
It's not like I need this  
But I'm just hanging on to the thought of you  
Acting all tragic like you left me at the steeple

Yeah, I don't find it funny anymore  
To hell with all the beggars at your door  
Yeah, I just need you now honey that's for sure  
Yeah, I just need you now honey that's all I know  
I just wanted you to think about me too  
I just wanted you to think about me too  
Just for a little while

Don't be pretentious  
You were my bestest  
Lover then that I ever had  
News flash I'm alone

It's not like I need this  
It's none of my business  
I'm wasting dimes in a broke down casino  
Ruins lie here below

Yeah, I don't find it funny anymore  
To hell with all the beggars at your door  
Yeah, I just need you now honey that's for sure  
Yeah, I just need you now honey that's all I know  
I just wanted you to think about me too  
I just wanted you to think about me too  
Just for a little while

I just wanted you to think about me too  
I just wanted you to think about me too  
I just wanted you to think about me too  
I just wanted you to think about me too  
I just wanted you
