

Every Day Is A Holiday

Dope Lemon

Huh
How was life on
Like again
Huh
How was life on
Like again

Every day is a holiday
(How was life on, like again)
With you around
Every day is a holiday
(How was life on, like again)
With you around

Ain't no feeling high enough
(Ain't no feeling high enough)
Ain't no river wild enough
(Ain't no river wild enough)
Ain't no song sweet enough
(Ain't no song sweet enough)
Ain't nobody I can love
(Ain't nobody I can love)
But you
(But you)
But you
(But you)

(God damn, boy)
I never want to waste another moment
I was hoping
That I could take you wherever you were going
'Cause I could tell from the look in your eye
It would only take a second till the day goes by
So, don't waste a second
I just wanna learn your lesson
Can't teach what you don't know
But you won't ever reap if you don't sow
I wanna be the one to take you where ya never been to
Looking for a sedative and know one is within you
Looking for an out but the light won't come in
We were just waiting for the world to begin

So, don't waste a second
I just wanna learn your lesson
Can't teach what you don't know
But you won't ever reap if you don't sow

Every day is a holiday
(How was life on, like again)
With you around
Every day is a holiday
(How was life on, like again)
With you around

Ain't no feeling high enough
(Ain't no feeling high enough)
Ain't no river wild enough

(Ain't no river wild enough)
Ain't no song sweet enough
(Ain't no song sweet enough)
Ain't nobody I can love
(Ain't nobody I can love)
But you
(But you)
But you
(But you)

I know that shit gets fucked up
But know when hearts get broke
We don't live a lie
But I wanna be the one (I wanna be the one)
Who brings us to the sun (Who brings us to the sun)
When it's shining down (When it's shining down)
Snuggle up and bones
Play tennis, rollin' stones
Smoking reefer, line the ground
While we're listening to the sound
Girl, I wanna be the one
Make you smile in diamonds, girl
Girl, I wanna be the one
Make you smile in diamonds, girl

So, don't waste a second
I just want to learn your lesson
Can't teach what you don't know
But you won't ever reap if you don't sow

Every day is a holiday
(How was life on, like again)
With you around
Every day is a holiday
(How was life on, like again)
With you around

Ain't no feeling high enough
(Ain't no feeling high enough)
Ain't no river wild enough
(Ain't no river wild enough)
Ain't no song sweet enough
(Ain't no song sweet enough)
Ain't nobody I can love
(Ain't nobody I can love)
But you
(But you)
But you
(But you)

Let's go 'round and 'round
Let's go 'round and 'round
Let's go 'round and 'round
'Round and 'round and 'round
Let's go 'round and 'round
Let's go 'round and 'round
Let's go 'round and 'round
'Round and 'round and 'round
