

Fuck Things Up

Dope Lemon

Ah, sometimes we just, sometimes we just
Sometimes we just fuck things up
Ah, sometimes we just fuck things up
Hmm, sometimes we just fuck things up
Ah, sometimes we just fuck things up
I know sometimes I ain't the best to be around
Sometimes when shit gets fucked up and I mess around
I guess it's just the way the world is tryin' to bullshit now
To keep you falling, upside down
Sometimes we just fuck things up
Sometimes we just fuck things up
We just fuck things up

I ditched all your friends to score us some dope
Ah, it's a funny thing that feels low
That's why it's been waking you the middle of the night
That's why it's been keeping you off of the light
Sometimes we just fuck things up
Ah, sometimes we just fuck things up
Ah, sometimes we just fuck things up
Sometimes we just fuck things up
Just fuck things up
Ah, sometime, for sometime
We just fuck things up
