

Honey got a good thing going  
When she walk down the street she got that special way  
Though beneath her smile she's done some miles  
With the broken hearts and rattlesnakes

Golden wolf take us higher  
We won't be the best that we can be in this life  
Golden wolf take us higher  
We won't be the best that we can be in this life

Or the next one  
Or the next one  
Or the next one  
Maybe the next one  
I don't know anymore

Ooh, ooh-ooh, ooh-ooh-ooh  
Ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh

Honey got a good thing rolling  
When she take to the sky she start to understand  
Though behind those rosy cheeks  
With the sealed times  
She down dead with the bust of hand  
Maybe one day we'll dance beneath the stars till our feet lift up the  
ground  
Maybe we'll break a chance and sail away until we can't be found

Golden wolf take us higher  
We won't be the best that we can be in this life  
Golden wolf take us higher  
We won't be the best that we can be in this life

Or the next one  
Or the next one  
Or the next one  
Maybe the next one  
I don't know anymore

Ooh, ooh-ooh, ooh-ooh-ooh  
Ooh, ooh-ooh, ooh-ooh-ooh, ooh-ooh

Or the next one (Ooh, ooh-ooh, ooh-ooh-ooh)  
Or the next one (Ooh-ooh)  
Or the next one (Ooh, ooh-ooh, ooh-ooh-ooh)  
Or the next one (Ooh-ooh)
