

Hounds Tooth

Dope Lemon

Huhhuhhuuhhuuhhuuh

Bowlines are all dusty
So they say
But I got you babe
Yeah, I got you babe
Can you see those blue eyes
Can you see those blue skies
Did they take you by surprise
Ball and chain
Wah
Here comes Charlie Brown
Wah
Here comes Charlie Brown
He's as clean as a hound
Here comes Charlie Brown

Bowlines are all dusty, well
So they say
But I got babe
Yeah, I got babe

Clean as a hounds tooth
You are

Here comes Charlie Brown
Here comes Charlie Brown

He stays low to the ground
Wah
Here comes Charlie Brown
