## Dope Lemon

Can't afford my gasoline  
(No way Kimosabè)  
It's gold, son  
And I don't expect for you to understand

Oh, no way Kimosabè  
You're gon' fuck with my vibe (This is my house now)  
Oh, no way Kimosabè  
You're gon' fuck with my high (No way Kimosabè)  
Oh, no way Kimosabè  
You're gon' fuck with my ride (This is my house now)  
Oh no, no way Kimosabè  
You're gon' fuck with my high

Oh, I'm sick in the head  
I haven't been to bed  
'Cause that look you gave me  
Took me away  
She got them honey bones  
And she's melting me down  
As she moves across the floor  
My heart falls heavy to the ground

I'm a conquistador  
I'm an ordinary man  
But my heart still melts like honey  
When you try to hold my hand  
We be thick as thieves  
We be burning bright like them stars  
Ain't nobody gonna stop us when we're gonna have some fun, baby

Can't afford my gasoline  
(No way Kimosabè)  
It's gold, son

Oh, no way Kimosabè  
You're gon' fuck with my vibe  
Oh, no way Kimosabè  
You're gon' fuck with my high (No way Kimosabè)  
Oh, no way Kimosabè  
You're gon' fuck with my ride (This is my house now)  
Oh no, no way Kimosabè  
You're gon' fuck with my high

Makes me happy in my belly  
Makes me feel sound  
As I pour myself a drink  
I wash it slow steady down  
I kick back, fade into the blue  
Roll me up a smoke  
I think about the things we've done  
That are most definitely dope

I'm a conquistador  
I'm an ordinary man  
But my heart still melts like honey  
When you try to hold my hand

We be thick as thieves  
We be burning bright like them stars  
Ain't nobody gonna stop us when we're gonna have some fun, baby

Can't afford my gasoline  
(No way Kimosabè)  
It's gold, son

Oh, no way Kimosabè  
You're gon' fuck with my vibe  
Oh, no way Kimosabè  
You're gon' fuck with my high (Big, bad, curly-headed fuck)  
Oh, no way Kimosabè  
You're gon' fuck with my ride  
Oh no, no way Kimosabè  
You're gon' fuck with my high
