Lovesick Brain

Dope Lemon

Keep fallin' in love
Keep fallin' in love, kids

I don't mind if you wanna go back to how it was
Take your time, go down to where we used to chill
By the river bed
We can sleep when we're dead
She can talk with those pretty eyes so many things
She got that sunshine running through my veins
She don't know what she does to my lovesick brain

I'm a fool
I'm a fool
I'm a fool for her again
I'm okay with what you wanna do
I wanna do the things you wanna do
Let's go get high together
Because it's better
I'm okay with what you wanna do
I wanna do the things you wanna do
Let's go get high together
Because it's better

Keep fallin' in love
Keep fallin' in love, kids

I don't mind if you wanna go back to how things were
We can go to the place where we used to go get drunk
When I saw you
Dancing on the floor
She got them pretty eyes that make you hit the wall
She got that sunshine that has you asking for more

I'm a fool
I'm a fool
I'm a fool for her again
I'm okay with what you wanna do
I wanna do the things you wanna do
Let's go get high together
Because it's better
I'm okay with what you wanna do
I wanna do the things you wanna do
Let's go get high together
Because it's better

Keep fallin' in love
Keep fallin' in love, kids
