

## The Way You Do

Dope Lemon

Oh, it's breaking my heart  
I don't see you 'round  
Girl, you're breaking my heart, heart  
That I don't see you 'round  
Calling in the morning, calling on the telephone  
Calling in the morning, calling on the telephone

Girl, won't you call me back?  
Girl, won't you call me back?  
Girl, won't you call me back?

She gonna shake me down (The way you do)  
Oh, how my heart aches  
Oh, if you're, if you're not around  
Oh, you're breaking my heart  
Girl, I ain't, I ain't seen you 'round

Girl, won't you call me back?  
Girl, won't you call me back?  
Girl, won't you call me back?

Shake it down  
She gonna shake me down  
Oh, she gonna shake me down  
Ooh, she gonna shake you down  
Oh yeah, she gonna shake me down

The way you do  
The way you do  
The way you do  
The way you do  
The way you do
