

Where Do You Go

Dope Lemon

Uhuuhuuuhuuuuuuuuuuuuuh

Where is it that you go
Where is it that you go
Where is it that you go
Where is it that you go

Uhuuhuuuhuuuuuuuuuuuuuh

Is it okay that I'll go
Where you go
Is it okay that I know
Where you go

We'll gonna be alright now
You're my baby
We'll gonna be alright now
You're my baby
We'll gonna be alright now
You're my baby
We'll gonna be alright now
You're my baby
