

# Outlaw Thrones

Dope Stars Inc.

Like for all the times again  
Waiting for the last drop we can sustain  
Like for all the times again  
Pushing to the edge the barrier of change

But after all this age of torn  
Evil becomes the lord

And then all the crowds again  
Hailing for another god  
Hailing for a fake  
Idol of the modern times  
And what is now again?  
Cause once a road you take  
It is hard to know to tell  
Where the horror dwells

For the endless time they gain  
And it's nothing else than changing the name  
For the endless time they gain  
Wearing a new dress of freedom and faith

But after all this age of torn  
Evil becomes the lord

But anyway I should get  
There's no chance for a hope  
But anyway I should get  
No dream can stop the fall  
As for everything  
It's just a dream  
It can't change the world at all  
As for everything will change it's shape  
With a new meaning though  
To hail their outlaw thrones
