

the crowd is dancing wild
the virus is spread,
you see there's no return
and I scream out loud
My hopes are gone,
Cause now I feel alive
the crowd is raising chaos
the virus is spread,
you see there's no return
and I Play out loud
My dopes are gone
And now I feel perfect

Dance: Psychotic
you wanna go - unleash all the digital forces
Glance: Nevrotic
Trance: Neurotic
Sex: Robotic
You have to go - enjoy our chemical orgy
Glance: symbiotic
Trance: erotic
