

Dead World

Dope

Whatever you ask me
I would do anything
I would swim through the black sea
I would murder the king

Why should you be without me
While your tears run dry
Why should you be without me
When I could step to the other side

I should be dancing with my dead girl
Beyond the suffering of this sad world
I'd over dose on all her pain
I'll put a bullet in my brain
Just to be dancing with my dead girl
In the dead world

I remember exactly
When you started to cry
I remember you asked me
If I thought you could fly

Why should I be without you
When I could turn out the lights
Why should I live without you
When I could step the other side

I should be dancing with my dead girl
Beyond the suffering of this sad world
I'd over dose on all her pain
I'll put a bullet in my brain
Just to be dancing with my dead girl
In the dead world

I'd do anything, I'd do anything, I'd do anything for you
I'd do anything, go to the extreme, I'd do anything for you

I should be dancing with my dead girl
Beyond the suffering of this sad world
I'd over dose on all her pain
I'll put a bullet in my brain
Just to be dancing with my dead girl
In the dead world
