

Hold On

Dope

So when should I leave and where should I go
I feel I'm losing myself, losing myself
And where will I be when I let you go, I let you go
I keep abusing myself, I keep abusing myself

Why do I hold on while you walk away
Hold on, no matter what you tell me
I may believe, you may believe, I don't believe
Why do I hold on, yeah, while you walk away

And I still believe, it's useless, I know
I keep on losing myself, losing myself
And I still can't believe I soul cut so low, soul cut so low
I keep abusing myself, I keep abusing myself

Why do I hold on, while you walk away
Hold on no matter, what you tell me
I may believe you may believe I don't believe
Why do I hold on, yeah, while you walk away
While you walk away
Why do I do this to myself

You wasn't there for me, you wasn't there for me
You walk away from me, you walk away from me
You made a mess of me, you wasn't there for me
Don't walk away from me, don't walk away from me

Why do I hold on, while you walk away
Hold on, no matter what you tell me
I may believe, you may believe, I don't believe
Why do I hold on, yeah, while you walk away
While you walk away
Why though I do this to myself
Why though I do this to myself
Why do I do this to myself
