Hypocrite

Dope

I'm still bleeding but I'm not leaving
And you're still being a motherfuckin' runaway
I don't believe it and I don't need it
I don't foresee it, motherfuckin' on the way
You're such a fuckin' disgrace

Stop your crying
Cause you're driving me insane
I think you're lying
Cause it's written all over your face

Such a fuckin' disgrace
You little hypocrite limp wrist bitch, say it to my face
I'll fuckin' blow you away
You little hypocrite bitch, it's written all over your face

You don't stop faking, you keep on talking
You won't stop making, it motherfuckin' fall away
I'm still breathing so I'm not leaving
And I'm not even on mother fuckin' holiday
I spit blood in your face

Stop your crying
It's like a bullet through my brain
I think you're lying
Cause it's written all over your face

Such a fuckin' disgrace
You little hypocrite limp wrist bitch, say it to my face
I'll fuckin' blow you away
You little hypocrite bitch, it's written all over your face

I spit blood in your face
I spit blood in your face
You're such a fuckin' disgrace
I spit blood in your face

Such a fuckin' disgrace
Such a fuckin' disgrace
Such a fuckin' disgrace
And it's written all over your face

Such a fuckin' disgrace
You little hypocrite limp wrist bitch, say it to my face
I'll fuckin' blow you away
You little hypocrite bitch, it's written all over your face
