

# I Am

## Dope

Sometimes you don't understand  
Sometimes I am what I am  
Sometimes I just can't be  
Everything you hoped I'd be  
And sometimes I wish that you could see

I'm not like you  
I'm not like them  
I won't pretend  
Cause  
I am what I am  
I am what I am  
And all I am

Sometimes I wish that we  
Could agree to disagree  
Sometimes I wish that you could see what I see  
This is who I am  
I've always been  
And I don't think you'll ever understand

I'm not like you  
I'm not like them  
I won't pretend  
Cause  
I am what I am  
I am what I am  
I am what I am  
I am what I am  
And what I am

Fuck you  
I am what I am  
Fuck you  
I am what I am  
Fuck you  
I am what I am  
Fuck you  
I am

You don't understand  
I am what I am  
And I don't think you'll ever understand

I'm not like you  
I'm not like them  
I won't pretend  
Cause  
I am what I am  
I am what I am  
I am what I am  
I am what I am  
And what I am

Fuck you  
I am what I am  
Fuck you

I am what I am  
Fuck you  
I am what I am  
Fuck you  
I am.
