# Thieves

**Dope**

Thieves, thieves and liars!
Murderers!
Hypocrites and bastards
In laughter!
(Get up!)

(Get up! Get on your feet!)

Hey, thanks for nothing! (nothing)
Morals in the dust (in the dust)
Two-faced (two-faced) bastards and sycophants
No trust (No trust)

(We are fighting for the liberation of minds, not for the liberation of this pig, and racist society)

Liars!

Thieves! Liars!
Thieves! Liars!
Thieves! Liars!
Thieves! Liars!

Inside, outside, which side, you don't know
My side, your side, their side, we don't know

Which side are they? Which side are they?
Which side of their mouth do you suppose that it came?
Which side are they? Which side are they?
Which side of the grass is greener?

Inside, outside, which side, you don't know
My side, your side, their side, we don't know

You're like a great big fucking gun
Fuck you!

(We're gonna rip this motherfucker off
We're gonna tear this motherfucker down)
Get up!

Breathe, forfeit erection!
Toxical injection
Geriatric fuck-fest!
We still believe in lies!

(I hope they realize that this is their last goddamn chance)

(Kill, kill, kill)

Liars!

Thieves! Liars!
Thieves! Liars!
Thieves! Liars!

Inside, outside, which side, you don't know!

My side, your side, their side, we don't know!

Which side are they? Which side are they?
Which side of their mouth do you suppose that it came?
Which side are they? Which side are they?
Which side of the grass is greener?

Inside, outside, which side, you don't know!
My side, your side, their side, no one knows!
(You're like a great big fucking gun!)

Fuck you!

(Power to the people)
(Power to the people)
(Kill, kill, kill!)

(I like it)

(Do you like it?)

(I can't hear you!)

(I still can't hear you!)
