

Devil Eye

Dora Jar

Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye

Don't let it get too deep
Down boy, tease me
Secrets I'll never speak
Spying, lock me up in a cabinet
Leave me, forget
Furious tumbleweed
Down boy, tease me

Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye

I let you turn the key
Slow boy, hurry
Leave all your clues on me
Finger printing
I'll never get out of bed, no
Leave me, forget
Furious tumbleweed
Dumb boy, teach me

Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye

Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
Devil eye, devil eye, devil eye
