

# Multiply

Dora Jar

Woah, woah

When I lean in  
You multiply  
Got a feeling  
You'll be in my life  
For a long time  
Ooh-ooh, yeah  
'Cause you got all my body open  
Hee-hee, yeah, oh-ooh, ah

At the party  
I cut you twice  
Feelin' naughty  
With a dash of spice  
It's been a long time  
Ooh-ooh, yeah  
Since I've been fun with anybody  
Ooh-ooh, yeah, oh-ooh-ooh-ooh-ooh, woo

(I think about you twenty-five hours a day)  
(I think about you twenty-five hours a day)  
(I think about you twenty-five hours a day)  
(I think about you twenty-five hours a day, I)
