

# Polly

Dora Jar

Polly, will you ever notice me?  
Sinkin' in the middle of your sea  
Water in my ears, a wavy melody  
I will hold my breath eternally

Fratuca patuca automatica  
I won't slow down, I don't slow down  
I won't grow up, I hit the ground-ground  
Runnin'-runnin' amok

I'ma rip my face off and I'ma dance for you  
Lookin' at the feelin' of an empty room  
I wanna do everything that a God would do  
So I'm invincible  
In the ring, let the red flag billow  
Below me is a city, you can call me Godzilla  
Cross the road little chicken, wanna stomp upon a bully  
'Cause I'm invincible

Duo, did I tell you?  
What? Oh  
Bruh, I don't even know anymore  
I don't even know, I don't even know

Polly, will you ever turn around?  
Followin' your footprints on the ground  
Callin' for you but you never hear a sound (What?)  
I don't wanna lose the love I found

Jiminy Cricket, lickety-split  
I won't slow down, I don't slow down  
I won't grow up, I hit the ground-ground  
Runnin'-runnin' amok

I'ma rip my face off and I'ma dance for you  
Lookin' at the feelin' of an empty room  
I wanna do everything that a God would do  
So, I'm invincible  
In the ring, let the red flag billow  
Below me is a city, you can call me Godzilla  
Cross the road little chicken, wanna stomp upon a bully  
'Cause I'm invincible  
Face off and I'ma dance for you  
Lookin' at the feelin' of an empty room  
I wanna do everything that a God would do  
So, I'm invincible  
In the ring let the red flag billow  
Below me is a city, you can call me Godzilla  
Cross the road little chicken, wanna stomp upon a bully  
'Cause I'm invincible

Pretty little pity
