

# Ragdoll

Dora Jar

Come and get it  
Make me lose control  
Throw me like a ragdoll

Catch my edge again  
I could risk it all  
Hold me like a ragdoll

Hips on a lady, hips on a rockstar  
If I wanna go, I go hard  
If I wanna go, I go far  
I go, I go, I go

Downtown swingin' like a big brass band  
Baby, be my muscle man  
Hold me like a ragdoll

That don't hurt me  
You can let me fall  
Heavy little ragdoll  
Pick me up again  
I'll go with you

Downtown swingin' like a big brass band  
Baby, be my muscle man  
Hold me like a ragdoll

Hold me like I'm sunburnt, raging fever flame  
I'm gonna lose control  
Dirty rascal, razor blade  
I'm gonna risk it all

Come and get it  
Make me lose control
