

Spell

Dora Jar

Tell me somethin'
Misty mornin'
As the moon falls down
Dizzy again

Storm is brewin'
Birds are cooin'
Sometimes I howl

Put a spell on the season
Leaves twirl in the breeze
So long, my friend

So short a stay
Take me, mm, with you
If you can
If you can
(Oh-oh)

Memory whisperin'
You were there listenin'
Ear pressed to the door
Spyin'

Let me in, Magdalene
I was always the one
You would toss
To the wind

Put a spell on my eyes
Now you're all over
Hello again

What's your disguise?
Say it (Say it)
Mm, just say it (Say it)
'Cause you can
'Cause you can
(Oh-oh)
