I'll be your Barbie boy
I'll be your favourite toy
I'll be your new best friend
To the very end
I'll be your perfect man
With the perfect tan
I'll be your favourite toy
I'll be your Barbie boy

I'll be your favourite toy
I'll be your new best friend
To the very end
I'll be your perfect man
With the perfect tan
I'll be your favorite toy

I'll be your Barbie boy
I'll be your pride and joy
With a plastic heart
And with abs, rock hard
I'm a perfect ten
I'll be your perfect friend
I'll be your favourite toy
I'll be your Barbie boy

Plastic is perfect but plastic will melt in the sun
You keep me and use me and throw me away when you're done
You say that you need me but treat me like I'm just a toy
But till then you know that I will be your Barbie boy

I'll be your Barbie boy
I'll be your favourite toy
I'll be your new best friend
To the very end
I'll be your perfect man
With the perfect tan
I'll be your favourite toy
I'll be your Barbie boy
I'll be your Barbie boy

I'll be your favourite toy
I'll be your new best friend
To the very end
I'll be your perfect man
With the perfect tan
I'll be your favourite toy
I'll be your Barbie boy
