

## feels like we only go backwards

Dorian Electra

It feels like I only go backwards, baby  
Every part of me says, "Go ahead"  
I got my hopes up again, oh no, not again  
Feels like we only go backwards, darling

I know that you think you sound silly when you call my name  
But I hear it inside my head all day  
When I realise I'm just holding on to the hope that maybe  
Your feelings don't show

It feels like we only go backwards, baby  
Every part of me says, "Go ahead"  
I got my hopes up again, oh no (It was only one night)  
Feels like we only go backwards, darling

The seed of all this indecision isn't me, oh no  
'Cause I decided long ago  
But that's the way it seems to go  
When trying so hard to get to something real, it feels

It feels like we only go backwards, baby  
Every part of me says, "Go ahead"  
I got my hopes up again, oh no, not again  
It feels like we only go backwards, darling  
It feels like we only go backwards, baby  
Every part of me says, "Go ahead"  
I got my hopes up again, oh no, not again  
Feels like we only go backwards, darling

It feels like I only go, only go, only go  
Every part of me says, "Go ahead"  
It feels like we only go backwards, darling  
It feels like I only go, only go, only go
