

# Flamboyant

Dorian Electra

I'm a very flaming, flammable guy  
Some say my fire burns way too high  
Some say they find me too hot to touch  
But I, I think it's not enough

Don't tell me what to do  
Don't tell me what to say  
You know I like it loud  
'Cause that's the only way  
No taste for subtlety  
And no time for restraint  
No, I go all the way

I'm flamboyant, I go all the way  
I'm flamboyant, I go all the way  
Flamboyant, every day  
I'm flamboyant, I go all the way

You always see me putting on a show  
I entertain until it's time to go  
You know I like to put it on display  
I like to work and I like to play  
I've always been this way, since I was young  
I like to steal the show from you for fun  
I do it big and take up lots of space  
You know I like to get up in your face

Don't tell me what to do  
Don't tell me what to say  
You know I like it loud  
'Cause that's the only way  
No taste for subtlety  
And no time for restraint  
No, I go, I go, I go all the way

I'm flamboyant, I go all the way (They say)  
I'm flamboyant, I go all the way (All the way)  
Flamboyant, every day (Every damn day)  
I'm flamboyant, I go all the way

Turn down? I never do  
I turn down, turn down for what?  
They ask me  
Turn down? I never do  
I turn up, I turn up, I turn up

(All the way)  
I'm flamboyant, I go all the way (All the way)  
I go all the way (Baby)  
I know it drives you crazy  
I know it drives you crazy (I go all the way)  
I'm flamboyant, I go all the way (All the way)  
All the way, all the way, yeah  
I'm flamboyant, I go all the way (All the way)  
Flamboyant, every day (Every day, all the damn way)  
Flamboyant, baby, yeah
