

Freak Mode

Dorian Electra

Catch me throwing cake at the Leonardo
Fucking up my face, looking like Picasso
Normies in the dungeon going freak mode
Hitting all these high notes, castrato

Ass play in the hallway, fucked up my Bob Ross
Out here in the bathroom filling condoms with the hot sauce
Lemme sniff ya, lemme huff ya, lemme lean in for a quick whiff
Put the tail in me, with the handcuff, I'm a cartoon with big whip

Catch me throwing cake at the Leonardo
Fucking up my face, looking like Picasso
Normies in the dungeon going freak mode
Hitting all these high notes, castrato

Everything I do is a freaking porno
