

Gentleman

Dorian Electra

I am the last living gentleman, ahh

I'm a gentleman
Take my gentle hand
Off to a gentle land
I'm a gentleman
I am

Up top
Bow down
Rock it to the side when you tip that crown
Fedora real tight, slow down
Pinky up, I ain't never comin' down, no

I'm a gentleman
Take my gentle hand
Off to a gentle land
I'm a gentleman
I'm a gentleman
Take my gentle hand
Off to a gentle land
I'm a gentleman
I am

I pick you up
I put you down
I say the perfect thing then I make you spin around
Yeah, I'm lightin' you up
Throw you around
This is a conquest a war is going down

I'm a gentleman
Take my gentle hand
Off to a gentle land
I'm a gentleman
I'm a gentleman
Take my gentle hand
Off to a gentle land
I'm a gentleman
I am
