

# Happy

Dorian Electra

It might seem crazy what I'm 'bout to say (Hot shit, here it comes)

Sunshine, she's here, you can take a break  
I'm a hot air balloon that can go to space  
With the air, like I don't care, baby, by the way

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

Here come bad news, talking this and that  
Well, give me all you got, and don't hold it back  
Well, I should probably warn you, you'll be just fine  
No offense to you, don't waste your time  
Here's why

Because I'm happy  
Because I'm happy  
Because I'm happy  
Because I'm happy

Ayy (Happy)  
Bring me down  
Can't nothing bring me down (Happy, happy, happy)  
My level's too high, to bring me down (Happy)  
Can't nothing bring me down (Happy, happy, happy)  
I said, bring me down (Happy, happy, happy)  
Can't nothing bring me down (Happy, happy, happy)  
My level's too high, to bring me down (Happy, happy, happy)  
Can't nothing bring me down (Happy, happy, happy)

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do  
Ayy
