

Manmade Horrors

Dorian Electra

Let's fucking go

You may live to see a minion with a strap-on
Live to see a slutty Mao Zedong thong
Live to see a tattoo of a Tesla
Hidden under Grandma's favorite sweater
Maxing out your Johnny Rotten credit card
MOMA retrospective George W. art
Laughing off our asses as it falls apart

This shit show, so sicko
Fifty Shades of Grey bigger than the Bible
Manmade mind, horror show
Bought a Che Guevara shirt from Zara on sale

This shit show, so sicko
Fifty Shades of Grey bigger than the Bible
Manmade mind, horror show
Bought a Che Guevara shirt from Zara on sale

Let's fucking go
To the manmade horrorshow
Let's fucking go
To the manmade horrorshow
Manmade horrors

You may live to see a Walmart in the forest
Louis Vuitton baby formula shortage
Fuck around and give a pig a Pepsi
Cotton candy tear gas on Etsy
Hello Kitty ACAB monster guns
Riot cop pride flag uniforms
Laughing off our asses as it comes undone

This shit show, so sicko
Fifty Shades of Grey bigger than the Bible
Manmade mind, horror show
Bought a Che Guevara shirt from Zara on sale

This shit show, so sicko
Fifty Shades of Grey bigger than the Bible
Manmade mind, horror show
Bought a Che Guevara shirt from Zara on sale

Let's fucking go
To the manmade horrorshow
Let's fucking go
To the manmade horrorshow
Manmade horrorshow
Manmade horrors

Let's fucking go
Manmade horrorshow
To the manmade horrorshow
This shit show, so sicko
Manmade horrorshow
I got two tickets to go

Manmade horrorshow
This shit show, so sicko
