

## Sorry Bro

Dorian Electra

Sorry, I love you  
Sorry bro I'm thinkin' of you  
I don't wanna bug you  
But sorry bro, I love you

You know I'm always thinkin' of you every day  
And when I try to look at you, you look away  
Sometimes it's hard to find the words I wanna say  
Every day I feel you fading

I know, I know we always wrestle  
I know sometimes I put up a fight  
I know, I know we always tussle  
But maybe it's because I love you

Sorry bro, I love you  
Sorry bro, I love you  
I can't stop thinkin' of you  
Sorry bro, I love you

We're perfectly designed  
Always there to watch me when I rise  
You're my best friend, but you're not my lover  
If you wanted that, you should find another

I know, I know we always wrestle  
I know sometimes I put up a fight  
I know, I know we always tussle  
But maybe it's because I love you

Sorry bro, I love you  
Sorry bro, I love you  
I can't stop thinkin' of you  
Sorry bro, I love you

Sorry that I need ya  
You know I always wanna be there for you  
Sorry, didn't mean it, I love you  
Sorry bro, I love you
