Tool For You

Dorian Electra

I'm crazy, I don't know what to do
I feel like I have got a screw loose
There's just one thing to do and that's to tighten it up with you
I wanna be your everything
You need a fix, I got just the thing
You need some help, I can lend a hand
Just let me be your handy man

You got a leak, I can stop it
You got a hole, I can fill it
You got a crack, let me seal it
You need to screw

I wanna be a tool for you
I wanna be the one you use
You know I'll be a tool for you, tool for you, tool for you
'Cause baby, I'm a fool for you, yeah

In power tools, I pick the rules
In power games, I always lose
No need to rush and no need to panic
'Cause baby, I can be your mechanic

You got a leak, I can stop it

You got a hole, I can fill it
You got a crack, let me seal it
You need to screw

I wanna be a tool for you
I wanna be the one you use
You know I'll be a tool for you, tool for you, tool for you
'Cause baby, I'm a fool for you, yeah

I'm a tool for you, I'm a tool for you
Use me, use me, baby
(I wanna be) I wanna be, I wanna be, I
I wanna be, I wanna be, I
I wanna be, I wanna be, I
I wanna be for you
I wanna be, I wanna be, I (I wanna be a tool)
I wanna be, I wanna be, I
I wanna be, I wanna be, I wanna be
A tool for you

Tool for you
I wanna be the one you use
You know I'll be a tool for you, tool for you, tool for you
'Cause baby, I'm a fool for you, yeah
