

## Be Prepared

Doris Day

Help an old lady cross the street  
Always be sure your room is neat  
Get up and give someone your seat  
And you'll be a real good scout!

Carry a girl's books home from school  
Don't lose your temper, play it cool  
Always obey the golden rule  
And you'll be a real good scout!

So, listen to your dad and mother  
And learn that one good turn deserves another!

Help with the dishes every night  
Try shakin' hands and stop a fight  
Remember two wrongs don't make a right  
And there isn't any doubt that  
You'll be a real good scout!

Be prepared  
Be prepared  
Be prepared  
And you'll be a real good scout!

Be prepared  
Be prepared  
Be prepared  
And you'll be a real good scout!

Just love thy neighbour like a brother  
You'll find that one good turn deserves another!

Be prepared  
Be prepared  
It's great to be alive, and that's  
Something to sing about  
It's fun to be a real good scout!
