

Be True to Me (Sabor A Mi)

Doris Day

If I prove how much I love you with each kiss
Will you cross your heart and promise me all this
That it's more than just a thrill,
That you love me and you will
Be true to me

I will give you all my love dear, here and now
If you'll only make this solemn little vow
That you mean just what you say,
Please be fair in everyway
Be true to me

I'm so helpless when you touch me
Feeling feelings that I never felt before
Oh my darling, say you'll love me
If you love me, I'll be yours forever more,
So I beg you please be gentle with my heart
Promise me we'll never be apart
Through each night and thru each day
Thru the years that pass away,
Be true to me
