

# Come to Baby, Do!

Doris Day

I took a choo-choo-choo-choo  
Fast as I could take a choo-choo  
I came a long, long, long, long way  
To take you in my arms  
And now it's your first move  
To prove that you've been true  
Come to baby, do.

You've been a way, way, way, way  
Way beyond the blue horizon  
I'm hopin' no, no, no, no  
No one else is on your mind  
So pucker up, my sweet  
And meet your Waterloo  
Come to baby, do

Stop! Me from guessin'  
Tain't no time to tease  
Stop! All this messing!  
And put your beggin' baby at ease  
I wanna love, love, love you  
Just the way I wanna love you  
I'm gonna try, try, try to make you try to understand  
When all is said and done, the one for me is you  
Come to baby do

Stop! All this messing!  
And put your beggin' baby at ease  
I wanna love, love, love you  
Just the way I wanna love you  
I'm gonna try, try, try to make you try to understand  
When all is said and done, the one for me is you  
Come to baby do
