

Give A Little Whistle

Doris Day

Give yourself a cross-examination
Are you just about to make a big mistake
Well here's a way to save the situation
So learn it now, for heaven's sake
Give yourself a better break

When you get in trouble
And you don't know right from wrong
Give a little whistle
Give a little whistle

When you meet temptation
And the urge is very strong
Give a little whistle
Give a little whistle

Not just a little squeak
Pucker up and blow
And if your whistle's weak
Yell Jiminy Cricket
Take the straight and narrow path
And if you start to slide
Give a little whistle
Give a little whistle

And always let your conscience be your guide
Not just a little squeak
Pucker up and blow
And if your whistle's weak
Yell Jiminy Cricket
Take the straight and narrow path
And if you start to slide
Give a little whistle
Give a little whistle

And always let your conscience be your guide
Give a little, Give a little, Give a little
